

MIGUEL CIVIL published a study of a Sumerian folktale, "Enlil and Namzitarra," in *Archiv für Orientforschung*, and hopes to publish several new texts in 1979/80: "Letter of Sin-iddinam to Utu: A Copy from Kouyunjik," "Enlil and Ninlil: The Marriage of Sud," and a fascicle of Sumerian literary texts from Susa prepared in collaboration with the late Maurice Lambert. Mr. Civil will see through the printing of the *Catalogue of Sumerian Literary Texts (Handbuch der Keilschriftliteratur IV)* and prepare the final manuscript of a book on Sumerian writing and phonology which will include a critical index of Sumerian values of cuneiform signs in the most important sections of MSL.
