

Individual Research

JOHN A. BRINKMAN has continued work on an edition of Middle Babylonian royal inscriptions to be published in the *Royal Inscriptions of Mesopotamia* series (Toronto). He has written a series of articles on various historical topics for the *Reallexikon der Assyriologie* M volume, the *Journal of Cuneiform Studies*, and the *Zeitschrift für Assyriol-*

ogie. In March, he presented a paper on Assyrian and Babylonian treaties at an international conference in Rome; and, in June, his paper on Babylonian metallurgy in the early Iron Age was read at a conference at the British Museum in London. He has begun to edit the papers of Michael Rowton on ecology and socio-political structure for publication in book form.
